Important Information About Your GP Practice

Dear Patient,

We are writing to inform you of an important update regarding the services at Links Medical Practice.

Following a recent decision by the Black Country Integrated Care Board (ICB), the application to close our Hazel Road Surgery has been approved. As a result, **from Monday, 18th August 2025**, all medical services will be provided **exclusively** at our **Netherton Health Centre** site.

We understand that this change may be inconvenient for some patients, particularly those who find it difficult to travel to Netherton. If you feel that our new location is not suitable for your needs, you are welcome to register with a different GP practice. You can find details of local GP surgeries by visiting the NHS website: [Find a GP - NHS](#).

We would like to thank you for your understanding and continued support during this transition period.

Yours sincerely,

Gemma Massey

Practice Manager

On behalf of Dr Reynolds and Dr Fung
